***\* Please check in with Father and with Pat Campbell to let them know you are present and please join in the procession, 10 minutes before Mass starts if at all possible. Please put the Children's lectionary on the table by the presider's chair on top of his notebook. Also, please stand and come up close to where Fr. stands when he calls the children forward. This way you can walk out with the children. Remember that you're an important minister and CLOW is an important part of the Sunday liturgy!***

- ***Please step in for the scheduled catechist if you notice one is not present.***
- ***Please find a replacement when you are not able to be at your scheduled time.***

***\*Names and numbers are on the back of this sheet.***

***Thank you very much for your service!! The children (and families) love and appreciate this special time and your attention! Brenda***
